KEYGRADE

Easy
Medium
Hard

Relatively flat rides with only a few moderate hills. Distance normally around 50km. Frequent stops as required by riders.
 Undulating countryside with steeper hills. Distance between 50 and 80km. Less frequent stops to keep riders together.
 Steeper hills will be a feature of the ride. Distance could exceed 80km. Fit riders should expect to be challenged. Few stops.

NOTES

A planned ride may be cancelled due to forecast inclement weather, which the Ride Leader considers likely to create unsafe or unsatisfactory conditions.
 A planned ride will be cancelled when, on the evening prior to the ride, the Bureau of Meteorology forecasts that the temperature in the ride locality will exceed 32 degrees Celsius during the ride.
