WELCOME

From the Presidents desk

Welcome to winter! At the time of writing this newsletter Geelong is looking forward to an overnight temperature of 4°C, but with a fine day following, our brave Walkers, Bocci players and Cyclists will still be out in force-(brrr!) with others enjoying the indoor activities.

Yes, it's that time of the year and many groups are planning their Christmas in July festivities. Keep your eyes on the notice board and get your name down quickly. The club one will be on 21st July at 6.00pm in the clubrooms and with our popular MC Les, and Musicians Val & Ron this has always been a night to remember. As it is fully catered, numbers are essential and could be limited, so check the list on the notice board.

Elizabeth Brown has once again organised a very successful fund raiser which, due to the generosity of club members (\$500.00 from Arvo Tea Dance group!) has been able to donate \$1966.90 in aid of cancer research. Congratulations Elizabeth and all the club members involved.

The groups are very active and members enjoying the benefits of each others company in a wide range of events. It has not all been plain sailing though, as due to the resigning of their Convenors, the Soft Tennis and Exercise groups in Bannockburn and Down Memory Lane have now finished.

Many thanks to Convenors: Fred Merryfull, Verna Brookes and Doug Macauley for your efforts over the years; I am sure that you have brought much pleasure into many peoples lives.

After allowing for the loss of the respective members from the Bannockburn area; our membership now stands at 445 compared with 487 this time last year.

At our last general meeting we had a guest speaker Michele, from Tucker Funeral Services who enlightened us on what to expect in the period following the loss of a family member. Although it would of course be a time of great sadness, Michele gave us an insight into how the occasion could be not only a tribute to the lost one, but also a time of reflection of the achievements of that person's life. There were some interesting questions from the members during the meeting and Michele spoke to many people after it finished.

It is hard to realize where the time has gone as, not only is the club entering its last month prior to our AGM, but I now entering the last quarter of my three year term as President. During this time I have been able to enjoy the company of the members and the activities of some of their many different groups and as this will be my last Newsletter report I would like to thank all the members and Convenors who have made this club what it is and given me the pleasure and honour to have been their President.

I would also like to specially thank the Committee members for their support and input in the running of the club.

Speaking of the Committee; at next month's AGM all the committee positions will be up for election. I would encourage any of you who feel that you would like to take on one of the positions to nominate and enjoy the fulfillment of being part of the operation of such a wonderful club. Where else could you put nearly 500 people together and not have a bad one amongst them!

Looking forward to another great LACG season and seeing you at the AGM,

"Stay Happy, Healthy, and Active" Norm.

CARDS

Wed after Bocce

With the advent of winter and a few other absentees with sickness and other reasons cards have dropped

off a little in recent weeks. However we still manage 20 or more card sharps enjoying themselves on Wednesday afternoon, and some new faces are always welcome. Thanks to Alan the 500 players change partners each week, it is quite interesting to play with someone different from time to time.

Convener: David Scarsi 5282 2267

L.A.C. PEDALLERS

The enthusiasm of the bike riders is on the increase, despite the weather getting colder. We are challenged to find places where our larger group of riders can have their essential cup of coffee. We are finding that by approaching cafes prior to rides, they are more than willing to accommodate us.

By rotating the leading of Tuesday out-of-town rides and Thursday morning rides we are enjoying the input differing personalities put into this task. We also enjoy the dedication of the leaders of our Tuesday afternoon, Saturday morning and 'Easyrider' groups.

The enthusiasm of the various leaders is reflected in the increasing participation in cycling with LAC.

Convener: Josie and Howard Weedon 52457880

FRIDAY WALK AND TALK
9:15 at Balyang Sanctuary car park
near the facilities block.

Winter time is with us, it's damp and Oh so cold
There's not much fun, when there's no Sun ,
It makes us feel so old.

But it's not a worry, to our Friday group,
we have warm clothes, and bowls of soup.
With friends to cheer us, we laugh and chat
while we walk the Barwon, this way and that.

And when we reach the Coffee shop,
for a mug of coffee, or a nice hot tea.

We find the winter, is not so bad,
and I'm sure you'd all agree.

The Very First Seniors Moment

And that's what happened to the Dinosaurs

A Big Saver

A small tourist hotel was all abuzz about an afternoon wedding where the groom was 95 and the bride was 23. The groom looked pretty feeble and the feeling was that the wedding night might kill him, because his bride was a healthy, vivacious young woman.

But lo and behold, the next morning, the bride came down the main staircase slowly, step by step, hanging onto the banister for dear life.

She finally managed to get to the counter of the little shop in the hotel. The clerk looked really concerned, "Whatever happened to you, honey? You look like you've been wrestling an alligator!"

The bride groaned, hung on to the counter and managed to speak, "Oh God! When he told me he'd been saving up for 75 years, I thought he meant his money!!"

WALK AND TALK

From the Club Rooms each Tuesday and Wednesday from 9:00 am

Even though the winter days are here, we are still enjoying our walks together. Sometimes if the day is particularly wet and

windy, we will walk up through the town of Belmont which is a lot more sheltered but still enables us to enjoy our walk and talk together. We enjoy admiring some of the beautiful gardens that we pass on our way. The hot coffee is even more appealing this time of year and we have been known to have the odd scones and biscuits as well.

So come and join us and get to know a few more of the other club members.

Remember:

"Some people walk in the rain, others get wet".

Mums Know

A young man excitedly tells his mother he's fallen in love and that he is going to get married. He says, "Just for fun, Ma, I'm going to bring over three women and you try and guess which one I'm going to marry."

The mother agrees.

The next day, he brings three beautiful women into the house and sits them down on the couch and they chat for a while. He then says, "OK, Ma, guess which one I'm going to marry."

She immediately replies, "The one on the right."

"That's amazing, Ma. You're right. How did you know?"

The mother replies, "I don't like her."
