Newsletter June 2023

From the President's desk

'It's a wonderful world' sings Satchmo and the feeling around the club is that it's true. Les has also reported a new record attendance for Bocce recently. Attendances for lunch functions at the hall are also extremely well attended. But still, one Wednesday morning can be standing room only, but not so for the next.

Tai Chi is back and I encourage all ex Tai Chi enthusiasts to dust off their gear. A new activity group offering tech support via group discussion is available for members, meeting at the hall after Tuesday exercise class.

At the recent convenors meeting a great add on was discussed. In the more active groups, for example cycling and golf, both active and less active members are having a gathering for a cuppa, and more social interaction is occurring. This is definitely another benefit of being a club member for the less mobile of us. On the administration side, club members agreed at the recent general meeting to join with LACVI. For the club members this change will be mostly invisible. Actions of the club are still managed by our own committee. The key change is that we are getting access to club management software built with LAC clubs in mind. With these smart tools we will be more able to spread our admin resources and rebalance workloads where they occur to reduce the workload on individual committee members.

One unrelated visible change is the club committee now gathers in the corner room of the hall for meetings and for the convenors meeting the convenors gather in the opposite corner of the hall.

Events coming up include the AGM. The AGM includes the election of office bearers for the next 12 months and the annual reports from the outgoing committee.

This year the committee also presented to the club a statement addressing behaviours expected of members with a vote at the AGM needed to formalise the inclusion this statement in our constitution.

We can also report club membership has increased above 420 members. The major increase is from Pickle Ball activity. Some of you may remember the efforts made in 2019 to review the scope of our insurances and then being able to invite the newly formed Pickle Ball club at Ocean Grove to affiliate with us. Pickle Ball originally operated in the Memorial Hall which is also where our soft tennis activity group meets. Pickle Ball has grown in Ocean Grove and now includes the outdoors at the Surfside Tennis Courts. Pickle Ball also has new groups across Geelong and Leopold. Well done to Terry and Fran Kealey Pickleball co convenors.

Thanks to all committee members and on behalf of the club I thank particularly the treasurer who has overcome the hurdles of the closing of bank branches we have used for years. A special thanks to Secretary June who I believe from my 10 years only with the club, is the best.

A handwritten signature in blue ink that reads "Martin Taylor".

L.A.C. PEDALLERS

The bike group has been enjoying the milder autumn/winter weather and good numbers have been attending the organised rides. We have welcomed a number of new members this year, noting that the majority of these new members are using electric bikes. Today's (Tuesday 13th June) ride was typical of our rides; although the weather was threatening 23 members rode to Leopold for coffee. Of this number seven were on electric bikes. One of our members, Zdenka Spacil and a friend have been riding through various European countries and have been sending us interesting reports on their adventures. It hasn't been smooth riding all the way as they ride 50 to 70 km per day; they have had to battle head winds, snow and road works along the way

The photos show some of the bike group at Leopold and Zdenka enjoying a stop on her travels.

Half the year has already gone, the Winter months are here, we need to rug up & stay warm. Our special Lunch Days have proved to be very popular, it is a good opportunity to catch up with friends & make new ones.

Baked Potato Day: we had 60 people attend. The potatoes were delicious and we finished the meal with everyone receiving an ice-cream. Hopefully next year this will be on the agenda once again.

Easter Raffle: Morning tea was hot cross buns and the raffle raised \$89. Easter bunny turned up & handed out chocolates to everyone who came through the door.

Biggest Morning Tea for Cancer hosted by Heather Redding & her helpers. We were able to donate \$1,946 for this great cause. Morning tea was a wonderful spread of food to suit any appetite. Great array of prizes were raffled, 1st prize was a weekend away at Big4 Caravan Park at Port Fairy plus a wide variety of vouchers all donated. Thanks Heather & helpers for all your hard work.

Mystery Lunch: we had 67 people attend. Every table was given a chicken/ham platter, plate of assorted sandwiches, hot finger food and a 3 tiered plate with assorted slices & scones jam & cream. It looked a lot of food on the tables but not much was left over. The hall buzzed with the sound of talk & laughter, a great time had by all. Many thanks, to all who donated slices etc., and thanks to the many helpers who assisted me in setting up & helping in the kitchen. I appreciated you all assisting me as without your help, it would not happen.

Christmas in July Wednesday 19th July. Preparations are well on the way. The list is filling up fast and is capped at 80, so you need to be quick to put your name down. There will be a 2 course lunch, music, dancing and our Meat raffle will be drawn on the day, tickets are 3 for \$2. There will be door prizes and a few other prizes as well. 12.15 start.

Soup & Roll Day will be Wednesday 16th August. There will be a choice of 3 homemade soups and a fresh bread roll followed by something sweet. 12 Noon start with a guest speaker talking on senior driving & precautions. TBA. The soup will be served at 12.30pm. Come along & enjoy hot soup to chase away the winter blues. List will go up after Christmas in July function.

Then it's time for Grand Final week of Football, Wednesday 27th September, come dressed in your footy colours and enjoy pies, pasties or hot dogs. Prize for best dressed. List will go up closer to the date. This will be the last of our special lunches for the year.

Melbourne Cup Day, Wednesday 7th November, mark this great day on the calendar so you don't miss a day of fun. Club's Christmas Break up, Wednesday 13th December at Club Italia. Music for dancing and lots of free raffles, to be won. Donations of groceries or items to raffle would be greatly appreciated. A basket will be at the clubroom entrance early October for these items. Come along and enjoy good food and company.

I would like to thank you all for supporting me on special lunch days & Christmas in July. I have enjoyed doing these for our club and will continue next year with your support. June Warburton, LACG Inc. Secretary

Cinema / Theatre
Various times see Notices

On March 7th 3 members attended the Pivotonian and seen the movie, THE WHALE.

Recently quite a group of us (11 ppl) attended Reading cinema. We went and seen THE BOOK CLUB (The next chapter.) It was a fun outing followed up with lunch and coffees at the Groove Train. Some of us could relate to the antics of the lead roles in the film, so we had a few laughs over lunch.

Our next event will be the end of July continuing our 8 weekly cycle.

Convener: **Suzanne Page** 0448714134

An Asian fellow has moved in next door. He has travelled the world, swum with sharks, wrestled bears and climbed the highest mountain. It came as no surprise to learn his name was Bindair Dundat.

Local Police hunting the 'knitting needle nutter', who has stabbed six people in the rear in the last 48 hours, believe the attacker could be following some kind of pattern.

PICKLEBALL

Monday 10:15 - 12:15 pm.
Tuesday & Thursday 8:00 - 10 am.
Wednesday 1:00 - 3:00 pm
Fridays 10:30am - 12:30 pm
Sunday 5:00 - 7:00 pm
at Memorial Hall The Avenue Ocean Grove

Hope all is well.

We have some exciting news. Our player Mel White played for Victoria in the Battle of the Border against NSW and Captained the Senior team. This was a real honour for her and our club and Ocean Grove Pickleball is very proud of her efforts. Also two of our members Roy and Lea Preece were really successful at the Tasmania Open and won medals in the singles, mixed doubles and gender doubles.

On the home front we have a number of new members at Ocean Grove and Leopold and our recent Happy Hour at the Golf Club and Spanish Themed night after Sunday Pickleball proved very popular.

Cheers

**Technology Discussion Group
Tuesday at 1:15 PM for 90 minutes**

Technology is with us to stay, we MUST join, or else we are all going to be left behind... My grandson helps me... Your grandson doesn't live with you (in most cases) and we all must try and adopt.

We started this activity in February this year, members joined and left, others joined but not enough, we need more members to ensure that we have enough interest to keep it going.

The focus at this stage is on Mobile phones, but Mobile phones are just a small size computer, so the discussion varies each session. In each session, the topic expands and branches out to other topics... In this world, every topic is connected to several other topics, it is impossible to create a "Discussion Agenda".

We are all in the same age group, we ignored "Technology" for many years, but it is not too late to join in, we must. We don't like to do "Internet Banking", but they keep closing branches around us, they "Forgot" to ask for our opinion on the matter.

We are facing the need to fill online forms, we all hate it, but – nobody asks us, so let's get on with it. If you joined and left, please come back and express yourself, why did you leave, the "Discussion" style has changed since we started, all following members' comments.

It is a "Discussion Group", NOT a CLASS, so the discussion generates questions, one question leads to other questions.

**WINE APPRECIATION
1st. Monday of the month
2pm. At a members home. cost \$5**

The last red grapes are in. The pace slackens and peace returns to the vineyard. The winemakers begin to catch up on lost sleep and forget about the weather." What lovely thoughts to usher in winter. The wine appreciation group continues to meet once a month to enjoy some good company and sample various wines accompanied by a nibble. Our numbers on average are slightly down so if anybody would like to come along to see what we are about please contact the convener and he will let you know what can be arranged. At the moment it looks like we will have a trip to Echuca sometime in September for 3 or 4 days with a one day wine tour included. With this cold weather a nice port to go with your evening meal always goes down well.

1st Monday of Month, \$5/Head, Bring a bottle to share, Venue as advised.

SECRETARY REPORT

As most of you are probably aware, I am not going up for re-election of Secretary at the next Annual General Meeting on Wednesday 2nd August, 2023.

I have been Secretary since 2018 & feel that after all this time I need a break. It has been a very rewarding learning progression through the years, I have got to know many people by name & many friendships formed. There have been many ups & downs, Covid was an unpredicted event as was the flooded clubhouse downstairs but we have all come through this with flying colours and we are back up running with over 400 members. We have had new activities started, Pickleball, flourishing under Terry & Fran Kealy, Tai Chi with Desmond Lawrence, Technology with Alex Evans. Cinema with Suzanne Page, Wine Appreciation with Phil Warburton, Walk & Talk with Barney De Wit. Many of our other activities are well supported and going strong. Special Lunch Days & Christmas in July have been added to our calendar. For me, this is proving our club is still going strong and this is due to every-one of you supporting your club & committee. We are a great organisation which supports all of us older citizens to keep fit and stimulated in life.

There are too many people to thank for your support during my time as Secretary but rest assured I have great satisfaction knowing you were all there when needed, of course there have been tough times but I am not one to hold grudges as we all have got our opinions on certain areas.

I wish the next Secretary all the best and am sure you will do a great job, and know that if you need support, call me. As we are affiliating with LACVD in the near future, it is a time to embrace it all & look forward to what is to come.

To President Martin, Past President Josie Weedon & Ken MacMillan & committee it has been a pleasure working with you all, thank you from the bottom of my heart. Last but not least to my husband Phil who has been my backbone and supported me unconditionally in my years as Secretary, thank you Phil, love you & looking forward to our holiday in August.

Look forward to seeing you all at the club in the future.

*June Warburton,
LACG Inc. Secretary.*
