Weekly Activity News May 1st. 2024

For those who open their updates I am back from a very good holiday to continue your weekly news. Today was a very pleasant day weatherwise and the clubhouse chairs were all full by 1030. Bocce was over circular courts and the top scores for both genders was 37 by Ron Keneady back playing again with the aid of a chair and the lady was Lynette Kent. Following the Bocce the committee took up residence in the store for the monthly meeting. Mention was made during the presidents announcements how good the garden at the entrance is going under the TLC of Lyn Ward and I must admit it has improved since I last noticed it. Photo below.
