

Weekly Activity News November 20th. 2024

Numbers were down a bit today but still good fun with new Lady Dianne doing very well at Bocce. on a low scoring day. Sue Page reported the Winchelsea event was a great show for attendees. The General Meeting numbers were also down with executives on Holidays as well, but it was very well conducted by Heather and Pam in their absence with confidence expressed in the viability of the club and hints of fee reductions.
