

## Weekly Activity News December 11th. 2024

Great weather today but attendance low again. Bocce was fun again with grass even longer but Scores high. Ron Crees whom I misreported last week as a 53 when in fact he got 67 an extremely high score, did it again this week with a 66 making an unbelievably magnificent end to the year which he had already set in place by winning the perpetual trophy for Highest Mens Total score with 919. He must come to the club at night and practice in the dark because no one has seen him do it. The ladies high score was shared by Glenda and Anne both with 46

This has been the last Wednesday the Club will be Officially open until next year on February 5<sup>th</sup>.

Some activities will use clubhouse as single activities during this time.

Weekly Update will now rest till next year.
