

Weekly Activity News September 30th.2026

Club rollup looked a bit sparse for the first hour or so, then the carpark filled and so did the clubroom. The Presidents address today was a little unusual with most of the notice board dispensed with and Leon conducted a quiz. It was a quiz where the answers could be arrived at in your head with some imagination and were also funny. The winner had to be arrived by a Hard off to separate the 5 or so contenders and was won by Kate Lessing guessing closest to the age Leon got his first bike which Leon had given clues about in his life story.

The Bocce was held in good weather with Heather topping Ladies with 35 and Barney ditto the men with 44.
